As an individual within the community of Lake Edge United Church of Christ, I will live out the core values of the community....

...to **Worship** with integrity and joy;  
*(list any personal commitment you may have for worship)*

....to strive to **Grow** spiritually;  
*(list steps you plan to take over the next year to grow spiritually — through prayer, scripture reading, developing or deepening a spiritual friendship, or through some other approach that seems right for you)*

....to **Serve**, embodying Christ's love.
